

Refresh Teaching – Lehre erfrischend anders

Practice-oriented events over lunchtime with refreshing ideas for teaching.

Modern teaching approaches are already helping many faculty and assistants to pep up their courses and inspire students with new learning experiences. This series of one-hour, practice-oriented events, where you talk to involved faculty and receive suggestions and aids, show you how you can deploy new approaches in your own teaching.

Be refreshed! Events from March to December 2015
(1 hour over lunchtime, with food)

Programme 2015

March	Misconceptions
April	Flipped Classroom
May	Videos in Teaching
June	Learning Analytics
September	Case Studies
November	Feedback
December	Non-disciplinary competences
